1 hundred percent. I think -- I think it's all bars.

2 Q So this was a jail cell with all bars, it didn't
3 have any concrete walls along the sides or the back?

4 A I don't --

5 Q Best -- best you can recall?

6 A I think the back has a concrete wall, but the
7 sides and the front don't.

8 Q Okay. So where the "X" is that you've drawn on
9 the -- the diagram, there are bars in that jail cell?

10 A Yes.

11 Q Okay. And Christina was sitting on the floor?

12 A Yes.

13 Q Do you recall if she was facing towards the
14 doorway of the jail cell?

15 A No, I think her back was up against -- she was
16 sitting up against the bars.

17 Q So if this is a concrete wall back here at the
18 bottom -- and I'm going to write on the bottom of the
19 page.

20 If this is a concrete wall at the bottom of the
21 page, is it your testimony that her back was against the
22 bars and she was facing the wall?

23 A That's what I believe is the case, yes.

24 Q Okay, fair enough. Was she sitting upright?

25 A She was.
